LOCATION Situated on the southern slopes of Bath, and just a short walk into its centre, Grays is a large Victorian villa boasting stunning views across the city. Base yourselves here and you're well placed to enjoy all the sights and attractions beautiful Bath has to offer. **ROOMS** There are 12 bedrooms, each decorated in co-ordinating colours, partnered with French-style furniture painted in neutral, chalky shades. The overall look is fresh and elegant, with bespoke fabrics, chandeliers and top-quality bed linen adding a luxurious feel. In Room Two (pictured), an ornate, king-size bed takes centre stage, while the room's fabrics and soft furnishings in off-whites and cool greys add

a modern feel. Next to the triple-bay window are comfy armchairs where you can sit and enjoy the view. **FAMOUS FOR** Its location. The city-wide views across Bath are pretty hard to beat and, being a family owned and run boutique b&b, it prides itself on homely, attentive service. Staff will be happy to update you on what's happening in Bath during your stay. The breakfast comes highly recommended, too. The eggs, bacon and sausages are sourced from local farms, and there are tasty vegetarian alternatives. **CELEBRITY GUESTS** Sporting stars, well-known actors and a few fashionistas have stayed here while in Bath, but the owners are too discreet to say exactly who.
